

Dear BID member,

My company - Meercat Associates are working with Bath Business Improvement District (BID) in providing cost saving and carbon reductions across your community. We bring the whole community together and along with the entire UK BID sector (of which there are currently 120 BIDs), use the buying power of the group to achieve fantastic results for all involved.

What this means for you is business cost savings!

All the work is done for you and all the savings are yours to keep.

This service is funded by your BID and is therefore provided free of charge to you.

We can provide you savings in:

- Utilities
- Telecoms

We notice from our records that you have not received any savings to-date. If you would like to take advantage of this FREE service, then all we need from you is a copy of your recent bills for Utilities and

Telecoms. The rest will all be taken care off for you and you will be provided with information on what you can save.

There is no obligation to use any of our services!

These bills can be scanned, faxed or posted to the details below.

Alternatively if you would like further information on how to receive your business cost saving then call 01444 416529 or email Bath@meercatassociates.com.

Next week a savings ranger is going to be in your community, if you would like a personal visit, then email by reply and I will make the arrangements for you.

This service is provided to you by Bath Business Improvement District.

Kind Regards.

Andrew DE Childers BEng CIPS
